

PhD Studentship Application Form 2020

Please read the following notes in conjunction with the notice issued by Wessex Medical Research for the call you are applying for.

Word limits

Note that word limits apply to a number of sections of this form. Any applications received that exceed word limits will be **rejected and not taken forward** to the next stage of the assessment process.

A **single** additional page may be used for figures, diagrams, Gantt charts etc.

Project Assessment

The application will be assessed against the following criteria. Each carry equal weight.

- ✓ Quality and novelty of the science
- ✓ Suitability as a PhD project including assessment of student work plan
- ✓ Track record and appropriateness of the supervisory team
- ✓ Feasibility and cost effectiveness of project, and fit with Faculty research strategy

Details of Applicant			
Primary Supervisor (applicant) Name			
Position		ORCID	
Email address		UoS Faculty	
Mobile			
Link to UoS web profile page (or attach a 1 page CV)			
Co-applicants (full name and Faculty)			
Summary of Career details and qualifications of Primary Supervisor (200 Words maximum)			

Potential reviewers	
Names, postal and email addresses of five individuals external to the University of Southampton who are familiar with the intended area of research and who might be approached to peer review the Project.*	
Reviewer 1 name, postal and email address	
Reviewer 2 name, postal and email address	
Reviewer 3 name, postal and email address	
Reviewer 4 name, postal and email address	
Reviewer 5 name, postal and email address	

* Proposed reviewers must each be independent of the Applicant (i.e. not have any current joint grants or published joint papers in the past). WMT will not be under any obligation to make an approach to any of those nominated

Project Title (150 characters maximum)

Lay summary of project (200 words maximum - applications that exceed this limit will be rejected)

Funds Requested

Ethical approval - Please confirm that the University's policies on ethics and the treatment of animals (where relevant) will be strictly adhered to.**

Yes / Not applicable (delete as appropriate)

*WMT is a member of the Association of Medical Research Charities and supports its statement on the use of animals in research. See: <http://www.amrc.org.uk/publications/statement-on-the-use-of-animals-in-research>

Scientific Project Summary (max 600 words - applications that exceed this limit will be rejected)

To include a student work plan, why this is innovative, where the research might lead, and how this fits the relevant Faculty's research strategy

Note - graphs / charts / pictures / Gantt chart / preliminary data etc. can be included on a separate page.

References

Optional space for graphs / charts / pictures / Gantt chart / preliminary data (one page maximum)
